Cabinets / Amaranthine Tales / 2017

The natural warp of time

Asterya is a piece of furniture that belongs to the "Amaranthine Tales" collection, a tribute that Promemoria has paid to time and its indefinable and unstoppable flow.

The cabinet has a bruno mahogany structure, manufactured so that every detail is fluid and rounded, like the flowing time.

The details are in bronze, while the shelves, drawers and interior placemats are in leather.
