## Design and Features

Cassettiera '700 takes shape in 2002 from the pencil of Romeo Sozzi, becoming immediately a product of historical importance for Promemoria.

The chest of drawers can have an oak structure with bronze knobs and external covering in leather or galuchat. The drawers have leather placemats inside.

The version Cassettiera '700 e l Notte can have the external covering in leather, fabric or galuchat with profiles and handles in smooth bronze. The interior of the drawers is in oak and the placemats in leather.
