That branch of Lake Como

Cernobbio is inspired by the love for the landscapes of Lake Como. The entire outdoor collection of Promemoria takes its cue from the incredible richness of the lake landscapes and pays homage to it with delicate shapes and precious materials.

Cernobbio is a family of outdoor seating, composed of a chair, with or without armrests, and a stool. Both seats have a bronze and stained ash frame.

Available with removable cushion in fabric or leather for outdoor use.
