Outdoor

## That branch of Lake Como

Dervio is inspired by the love for the landscapes of Lake Como. The entire outdoor collection of Promemoria takes its cue from the incredible richness of the lake landscapes and pays homage to it with delicate shapes and precious materials.

Dervio is an outdoor dining table. Its structure is in stained ash, available in different colours, with bronze feet and details.

Available with top in Bianco di Carrara marble, Serena Stone or bronze with holes.
