Tête-à-tête

The Grosvenor armchair belongs to "The London Collection", the result of the collaboration with David Collins Studio and pays homage to the elegance of the most important gardens in London.

The armchair has the base in brown beech and covering in fabric. The details of the armchairs are in leather and cushion with removable cover is in fabric with piping in leather. Available with base in smooth dark bronze.

The armchair belongs to the Grosvenor family that includes a loveseat sofa.
