Cabinets / Indigo Tales / 2018

Everything is color

Laos is a cabinet that belongs to the "Indigo Tales" collection, inspired by the countless expressions of blue and the refined elegance of the indigo nuance.

Designed by Romeo Sozzi, Laos is a cabinet with wooden structure, available in various essences, and with opening through a recessed handle.

Laos is available in two versions: with wooden or glass doors. Inside there are two drawers (for the version with wooden doors), various shelves and placemats in leather and LED lighting.
