That branch of Lake Como

Moltrasio is inspired by the love for the landscapes of Lake Como. The entire outdoor collection of Promemoria takes its cue from the incredible richness of the lake landscapes and pays homage to it with delicate shapes and precious materials.

Moltrasio is an outdoor chaise longue-dormeuse, with structure in ash, available in different colours, and stained wicker, details in smooth light bronze, upholstery in fabric or leather with removable covers.

The chaise longue-dormeuse is part of the Moltrasio family of outdoor products.
