Everything is color

Pullman is a sofa that belongs to the "Indigo Tales" collection, inspired by the countless expressions of blue and the refined elegance of the indigo nuance.

Designed by Romeo Sozzi, Pullman is a classic-shaped sofa with a beechwood base and a fabric lining. The cushions are in fabric.

The sofa is available in two versions: linear or corner. The pouf and the small table complete the design of the Pullman sofa. It's presented in 2019 in a single-seat version.
