Seats / Night Tales

Bronze silhouette

The Rachele chair with arms is inspired by the literary salons that took place in some historic villas of Lake Como, like Villa Rachele from which it takes its name.

It has small dimensions and a fine visible bronze structure. The seat and back upholstered in leather give a British touch that is well suited to this Lake Como armchair.

Rachele is available in two variants: seat and back in leather; back and profile of the seat in brown mahogany and leather seat.
