Everything is color

Silvestro is a small table with wheels that belongs to the "Indigo Tales" collection, inspired by the countless expressions of blue and the refined elegance of the indigo nuance.

Designed by Romeo Sozzi, the table is in maple, light grey mahogany, light grey sucupira. The design is completed by two small drawers, with leather details and placemats.

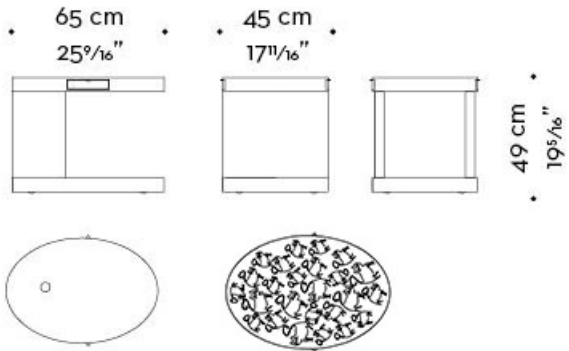

The small table Silvestro, nice and determined as the famous feline from which it takes its name, is available with inlaid amaranth cats.
