Tales from the Rising Sun

Sumo is a coffee table that belongs to the "Sun Tales" collection, inspired by the Japanese culture.

Special features of the table are the bronze legs that have an original semi-curved shape, inspired by the figure of Sumo wrestlers bent on knees in an attack position.

Sumo coffee table is available in two shapes: oval and rectangular. Both versions have a top in various wood essences.

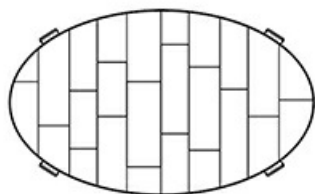

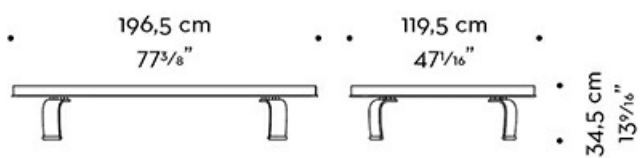

The 2019 version is rounded with a square or a radial inlaid top and a bronze decoration.
