Outdoor

That branch of Lake Como

Varennna is inspired by the love for the landscapes of Lake Como. The entire outdoor collection of Promemoria takes its cue from the incredible richness of the lake landscapes and pays homage to it with delicate shapes and precious materials.

Varennna is an outdoor armchair with structure in stained ash, available in different colours, and cushion in fabric or leather for outdoor use.

The armchair is part of the Varennna family of outdoor products.
