Outdoor

That branch of Lake Como

Varenna is inspired by the love for the landscapes of Lake Como. The entire outdoor collection of Promemoria takes its cue from the incredible richness of the lake landscapes and pays homage to it with delicate shapes and precious materials.

Varenna is a pouf table in stained ash wood, available in different colours. It is available with removable cushion in fabric or leather for outdoor use.

The small table is part of the Varenna family of outdoor products.
